

Good to Great Learning Network #1

May 26-28, 2010
Harmony Dawn Retreat Centre
Cobourg, Ontario

Purpose of Learning Network

- to develop a worthy Direct Management Assistance project to address an organizational challenge or opportunity
- to build your leadership team to guide your project
- to create and maintain a useful LN-DMA peer support network

Purpose of LN #1:

- to establish a learning community
- to identify a priority change designed to take your organization from Good to Great
- to initiate a DMA project that will align with organization vision and capabilities, and improve your organization's effectiveness and efficiency for the long term
- to provide opportunities for mutual support among peers - reflecting upon and reconfiguring your approaches to challenges, and stimulating change processes

Good to Great Learning Network #1
